MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally endorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxuriant growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.

All druggists Price \$1; also Yale's Skin Food, \$1.50; Yale's Complexion Cream, \$1 Yale's Face Powder, 50c; Yale's Beauty Soap, 25c. Mme. Yale, Health and Complexion Specialist, Temple of Beauty, 146 State st, Chicago. Guide to Beauty mailed free.

TO OWNERS OF BUILDINGS.

The undersigned having purchased the exclusive right, title and interest for the Manufacture and use of the PEERLESS PRESERVING PAINT in and for the Hawaiian Islands, desire to call the attention of owners of Buildings to the superiority of this Paint for the purpose of Preserving Shingles, Metals, Iron, Steel, Bridges, Posts, etc., against rust, corrosion, decay and leakage. One generous coat of the Peerless Preserving Paint has been found equal if not superior to three coats of any other Paint, and we guarantee it will not scale, crack, or run, it being composed of a body when applied in which there is no OIL, SPIRITS OR EVAPORATIVE SUBSTANCE. In using this Paint upon a shingle roof its FIRE-PROOF qualities are one of the chief advantages, as it renders the roof impervious to sparks which may fall upon it in the driest season without the slightest injurious effects. The main features which the PEERLESS PRESERVING PAINT offers for its use upon roofs are its thorough resistance to any action of heat or cold, and its wonderful PRESERVING qualities which fully prevent any action from either RUST OR DECAY.

We are prepared to execute and carry out special contracts for the application of the PEERLESS PRESERVING PAINT on any of the Islands. All contracts undertaken by us will be fully GUARANTEED. Our prices for this class of work are extremely moderate, and roofs to which Paint is applied by us are guaranteed against leaks, cracks, scales or runs for a period of years, estimated upon the age of the roof when the work is performed.

Examinations made and estimates given in all work free of charge, and references given by application at our office.
